Announcing SERC Compliance Open Forum Web Conference January 27, 2009

SERC Reliability Corporation is conducting its second Compliance Open Forum Web Conference on January 27, 2009 from 2pm to 4pm eastern. Representatives of Registered Entities in the SERC Region are invited to participate via web and teleconference.

The purpose of the Open Forum is to provide SERC Registered Entities with an update on the Compliance Monitoring and Enforcement Program (CMEP) including recent developments, lessons learned and key messages. The Open Forum will consist of several presentations and a question and answer session.

SERC plans to conduct Open Forums on a quarterly basis as an opportunity for sharing information and receiving feedback on the implementation of the Compliance Monitoring and Enforcement Program and related reliability subjects.
