SERC Reliability Corporation is conducting a Compliance Open Forum Web Conference on July 13, 2009 from 2:00 p.m. to 4:00 p.m. eastern time. Representatives of Registered Entities in the SERC Region are invited to participate via web and teleconference.

The purpose of the Open Forum is to provide SERC Registered Entities with an update on the Compliance Monitoring and Enforcement Program (CMEP) including recent developments, lessons learned and key messages. The Open Forum will consist of several presentations and a question and answer session.

SERC will conduct quarterly Open Forums in 2009 to provide an opportunity for sharing information and receiving feedback on the implementation of the Compliance Monitoring and Enforcement Program and related reliability subjects.

We would like to have suggestions for agenda topics that are of particular interest to the Registered Entities. Please submit suggested agenda items to serccomply@serc1.org by June 12, 2009.

An agenda and web conference participation information will be posted on the SERC website by July 6, 2009.
