Subject: Notification to Entities Regarding Filing Due Dates

The 2010 filing due dates are available on the SERC public website under the Compliance tab, 2010 Program (<http://www.serc1.org/Application/ContentPageView.aspx?ContentId=124>).

The filing due date spreadsheet includes the standard, requirement, reporting period and associated due date for self-certifications, periodic data submittals and exception reporting for the 2010 compliance program year. The listing of applicable functions is provided as a convenience. The applicability section of the reliability standard sets forth the function types for which the standard applies.

If you have questions please contact Catherine Sills at csills@serc1.org or 704-940-8218.

Respectfully,
