NERC Publishes FAQs About Joint NERC–FERC Industry Guidance for COVID-19

April 3, 2020

Click here for: [COVID-19 ORC and CMEP Frequently Asked Questions](#)

NERC and FERC recently [announced](#) steps to ensure that operators of the Bulk Electric System can focus their resources on keeping people safe and the lights on during this unprecedented COVID-19 emergency. Since the announcement, NERC and the Regional Entities have received a number of questions from industry. This FAQ document is being published on the [CMEP One-Stop Shop](#) on NERC's website to help provide additional clarity on the guidance provided and will be updated regularly as new questions are received. This FAQ will cover questions for Organization Registration & Certification as well as Compliance Monitoring and Enforcement.

For more information or assistance, please contact [Kiel Lyons](#) (via email) or at 404-446-9665.
