Dial-in: 1-415-655-0002 (US Toll); 1-416-915-8942 (Canada Toll)

Meeting Number/Access Code: 476 446 503

Webinar Objective

The Project 2019-03 Cyber Security Supply Chain Risks standard drafting team will be providing a review of the changes to the standards based on the directives in FERC Order No. 850 and the NERC Supply Chain Report. The webinar will include a question and answer session following the presentation.

[Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Service" drop-down menu and specify "Project 2019-03 Cyber Security Supply Chain Risks Observer List" in the Description Box. For more information or assistance, contact Senior Standards Developer, [Alison Oswald](#) (via email) or at 404-446-9668.
